

Amazon Brainstorm: My Pitch To Michael Dellin:
I am going to leech off of Zox's followers
and such while imbuing psychedelic and
meaningful shirist, eventually bracelets.

Eventually
Business is "split" or sistered/wife and
a tactical version of everything is to
come out.

Problem: - Basic Universal Knowledge

Fear: - Lack of wealth, Health is wealth

Curiosity: Magic (neuroplasticity)

Alibi:

The Cosmic
Consciousness

Why am I feeling these

feelings. Be open to accept
the answer & transmute.

Beliefs are powerful. Modern systems are built on them.

We go to war over them, first soldiers & cities & boundaries over

The subconscious only needs a little nudge, the subconscious is

When you want to do x & your mind tells you why you can't

blow your subconscious. Reptilian mind which still runs 95%
